

## Our Values

**Passionate about our customers and the planet, we work together as one team with a strong sense of purpose.**

### TEAMWORK

#### What does it mean to work at A-Gas?

- Safety of our people, customers, and the environment is our top priority.
- We have fun at work but are serious about service!
- We value work-life balance.
- We value one another and work together to meet our goals.

### PURPOSE DRIVEN

#### How do we measure success?

- Our purpose is to protect and enhance the environment, building a more sustainable future.
- We set strategic goals to meet both our business and environmental goals.
- We know where we fit in achieving those goals.
- We have high standards and are open and honest about what we can achieve.

### CUSTOMER FOCUSED

#### What value do we provide?

- We are the experts and can provide solutions that work for our customers.
- We work to the very best of our ability.
- We value solid partnerships.
- We trust our customers and suppliers.
